VOLUNTEER PROFILE:

Launa McKinzee Cox

Launa has lived in Rice for 19 years. She and her son, Chance, love it here.

Launa has been picking

up stray animals for years, but she has noticed that lately the problem has gotten much worse. "Something had to be done, so I took the initiative." she said.

Launa, along with other Rice residents, has started a rescue group called Second Chance Animal Rescue, where members can share resources. She hopes to offer a solution for people who can't afford to take in a stray or unwanted animal, so they don't end up dumped, and can have a chance for a forever home. She is hoping they will eventually be able to open a shelter.

Rice means home to Launa and her son, but she believes there is always room for improvement. "I would like to see the people come together, and help us help the animals and our community."

THINK HEALTHY, BE HEALTHY.

"Spring will soon be here. If you plan on leaving for Spring Break, we have Vacation Watch requests available to help protect your property while you are away. Stop by the PD and fill out the form. We are here to Protect and Serve".
