BUSINESS PROFILE: Glory Grounds Coffee

It's all about spreading God's Glory throughout the grounds!

Christie Enslin started Glory Grounds Coffee truck out of a desire to open a space where people could gather for coffee, prayer, and fellowship. After pursuing a career in the medical field, and with lots of prayer and family support, she decided to step out of the way and let God lead the path. You may have seen her truck parked along Calhoun St. in downtown Rice a couple of days each week. If you haven't stopped yet, we suggest giving it a try. Along with standard coffee shop options, she offers seasonal drinks - or you can chose your favorite flavor - all of her syrups are made by hand.

Each order is made with love and served with a smile. An updated schedule is posted weekly on Facebook @ Glory Grounds Coffee

NEW PARKS & REC ADMINISTRATOR: Vickie Young

After serving on the Rice City Council for 19 years, and volunteering for the event committee, Vickie Young has taken the role of Parks and Rec Administrator. She has already started planning city events, starting with Easter in the Park,

and the upcoming Food Trucks and Farmer's Market schedule. She is also issuing gym memberships and room rentals. Her goal is to introduce new programs and events, and hopes to get as many people as possible involved in helping the community.

THINK HEALTHY, BE HEALTHY.
