EASTER IN THE PARK WAS SO MUCH FUN!

Thanks to all the volunteers and everyone who came out to make this a successful event!

BUSINESS PROFILE: **Dance Fitness with Erika**

Erika Lopez has been leading Dance Fitness classes in the City of Rice Gym since the beginning of the year. Erika has 15 years of experience with Dance Fitness, and after moving to Rice in June of 2022, she was eager to start a class here. She was happy to find that the gym was available, and her class has been growing ever since. She brings positive energy and enthusiasm to each session. There are currently around 15-20 participants, with room for more. Even though the classes are high energy with lots of

movement, she offers options for every ability level, and focuses on having fun. Ready to get moving? Come give it a try!

THINK HEALTHY, BE HEALTHY.

As temperatures start to rise, so do our tempers. Be kind to each other and show mercy. A kind gesture goes a long way. Kindness is contagious!

PERSON TO KNOW: Dale Scott

We are noticing new faces around town, as our city grows. Dale Scott and his wife moved to Rice from Corpus Christi in December so they could be closer to family and enjoy time with their grandkids. Dale recently retired from the Nueces County Fire Department, where he started as a volunteer in 1981 and worked his way up to Fire Chief. Since moving to Rice, Dale has joined the Rice Volunteer Fire Department, where he applies his in the field experience, and assists with grant applications. He has also been hired by the City of Rice to mow and help with basic building maintenance. Dale believes it is important to help the people in his community, and is happy to be a resident of Rice.
