## THINK HEALTHY, BE HEALTHY.

July 04, 1776, is the birthday of the United States of America and Democracy is the foundation of our country. Our freedom isn't free and is

constantly under attack. If we want to continue celebrating our country's birthday, we must stay united, defend our rights, ethics, and morals for the better good of our society. However, you plan to celebrate the 4th of July, please do it responsibly.

– Chief Charles Parson

## STAY SAFE

Summer is here, and it is time for getting out and having fun!

We know that it is the perfect time to get out and ride your ATVs, golf carts and other recreational vehicles, and that getting to enjoy our city that way is one of the benefits of living in a small town.

It is also our responsibility to ensure the safety of our residents. We want to remind everyone that only experienced drivers should be operating these vehicles. Drivers have to adhere to all speed and road safety rules. per City Ordinance No. 504, a certified driver must be present in the vehicle to ensure safety for everyone on the roads.

– Mayor J. Nicole Jackson
