MDMYA: Mike Dickens Memorial Youth Association

MDMYA provides organized youth sports programs that form a foundation of friendship and team building for our city. MDMYA was formed many, many years ago in remembrance and respect for the Dickens family to build upon the future of our children and the community. The association is kept together with love from our community members.

MDMYA currently offers Football, Cheer, Baseball, Softball, Basketball and Volleyball. They are working hard to get soccer started in the near future.

VOLLEYBALL SIGN-UPS START AUGUST 1ST!

Follow the MDMYA-All sports Facebook Page for updates. Thanks to our community for their continued support of MDMYA!

THANK YOU Rozzana Vasquez Cobos

Rozzana has lived in Rice for 24 years. She and her family moved here to get away from the busy city life and out to the quieter country life. She likes living in our small town because it is more peaceful and has less traffic than the city. She enjoys being part of a close community.

Rozzana currently serves on the City of Rice Planning and Zoning Board, and is the Vice Chair of the Parks and Recreation Board. She is also active on the events committee, and is involved as a volunteer in all of the city hosted events.

Rozzana would like to see the city grow in a way that caters to residents, like the addition of small businesses like eateries, a grocery store, and more recreational activities/opportunities that would keep us from having to go to other cities, and keep our youth interested in being involved in our community.

Focused on achieving continual economic growth for our residents and businesses.
